None.

### **V. Reimbursement Policy Discussion**

Chris Artim, Senior Administrative Services will follow up on county policy in regards to California Welfare & Institution code 231, reimbursing commissioners for mileage. Placer County will not process photocopies of signatures. Google maps must be included to verify the mileage claimed. A delay will be incurred if reimbursement is submitted more than 90 days after the expense is incurred.

### **VI. Guest Speaker**

Bill Ryland, Koinonia Group Home Administrator and Treatment Clinic Director provided an update of the group home facilities. They do 200-300 adoptions per year and certify foster parents in addition to their group homes. They only take drug and alcohol abusers between the ages of 14 and 18 years and are the only agency in the state that is certified for 2 programs – drug and alcohol as well as foster youth. It is the

highest behavioral treatment (RCL 12) besides mental health facilities. They are the only accredited open school in the district because of their stats. They just had their first student transfer to a 4 year college. Typically kids stay for one year from the time they enter treatment until they graduate the program.

**VII. Judge's Report**

None

**VIII. Nomination/Election Process**

Commissioner Swisley moved and Commissioner Urquidez seconded to adopt the draft Officer Nomination and Election Process that was submitted. The motion passed. The Bylaws (Article III Section 2) will be updated with this new process and submitted for approval at the May meeting and the election will be held at the June meeting.

**IX. Probation Report**

Jeff Cann reviewed the Admission Departure Report for the Juvenile Detention Facility.

**X. Mentor Committee**

Commissioner Stodolski reported that the mentor program is on hold pending structural planning with the JDF staff.

**XI. Hearing Committee**

Commissioner Shinstock reported that the pending investigation is waiting for direction and clarification from Judge Nichols.

**XII. Evaluation Committee**

Commissioner Stodolski reported that Commissioner Attwater will chair this committee. The committee is currently taking a break awaiting new families to interview.

**XIII. Community Relations**

Commissioners Shinstock reported plans to get more community involvement through facebook. The Community Relations Committee will provide an updated outreach plan to be incorporated into the Chairman's annual report.

**XIV. Executive Committee**

Commissioners Stodolski reported this committee is in the process of editing and revising the commission policies and procedures.

**XV. Senate Bill 727 Vote**

The commission asked by Public Health to support a bill that is scheduled to be heard in the Senate Environmental Quality Committee on April 17. SB 727 requires producers of medications to design, fund and oversee operations of a take-back program for home-generated medications.

While this is NOT a juvenile justice issue, it IS a delinquency prevention issue if we consider the vast amount of juveniles who are abusing prescription drugs in Placer County. Information on the bill was disseminated to the commission for review.
