The Placer County Grand Jury is a 19-member panel appointed by the Placer County Superior Court to serve a one year term. The panel members by residence represent many communities from Roseville to Lake Tahoe. Our Grand Jury meetings are enlivened by the exchange of ideas from all nineteen members. Although their backgrounds and life experiences are diverse, the Grand Jury shares a common interest in County Government and a commitment to serve Placer County as Grand Jurors.

The Placer County Grand Jury organized itself into Committees for investigations and studies of complaints and legally required oversights. The 2001-2002 Grand Jury had nine Committees for the year:

Special Districts  
Schools & Libraries  
Audit & Finance  
Cities  
Continuity  
County Administration  
Criminal Justice  
Health & Welfare  
Editorial

The reports resulting from Committee work are examined and adopted by the Grand Jury as a whole.
