Appearance is required for hearing on 1st and final conservatorship accounts.

Clarification is needed: the conservatorship estate continually paid real property expenses although no real property was ever inventoried to the conservatorship. The estate also appears to have depended on continual trust distributions. Clarification is needed as to why any real property expenditures were paid by the conservatorship and why requested conservatorship hours include time for management of a trust property.

Missing Prob.C. § 13101 small estate affidavit by trustee seeking to receive estate assets. See Prob.C. § 2631(c).

Court determination is needed as to request to pay conservator fees at a rate of $50/hr. Services by nonprofessional conservator included travel (more than 46 hours), visits with conservatee and care home staff (28 time entries) and similar activities that do not appear to justify a $50/hr rate of compensation.

Appearance is required for continued hearing on petition for appointment of temporary conservator of the person and estate.

Missing notice of hearing for temporary petition. Missing 5 court days' personal service of notice of hearing with copy of temporary petition to proposed conservatee.

Clarification is needed: petitioner alleges proposed conservatee's estate consists of $440,000 in personal property and $440,000 in real property. Personal property is required to be bonded. See C.R.C. 7.207. The amended general petition appears to allege in an attachment that there will be no personal property in the conservatorship estate, directly contradicting previous allegations.

Appearance is required for hearing on amended petition for appointment of conservator of the person and estate.

Missing citation for November 10 hearing. Citation issued by the clerk October 5 is for a November 9 hearing date. By order also filed October 5, this matter was rescheduled to be heard November 10. Missing notice of hearing for amended petition. Missing 15 days' service of notice of hearing with copy of the amended petition to all 2d-degree relatives of proposed conservatee.

Revised request needed: amended petition does not include any prayer for relief at ¶ 1d, but includes Attachment 1d. Attachment 1d fails to identify any Prob.C. § 2591 power to be granted to proposed conservator. Each § 2591 request must be specified and good cause for the request must be shown.

Revised request needed: amended petition includes prayer for relief at ¶ 1e (Prob.C. § 1873 or 1901 orders). Attachment 1e fails to request any § 1873 or 1901 orders; instead, it appears to repeat the incomplete §§ 2590–2591 requests of Attachment 1d.

Missing confidential capacity assessment and declaration (GC-335). Attachment GC-335A which was improperly attached to the petition is not a substitute for required capacity assessment and declaration.
