**Placer Superior Court Announces the
Retirement of Hon. Alan V. Pineschi, Presiding Judge**

The Placer Superior Court announces the retirement of Hon. Alan V. Pineschi, Presiding Judge, effective October 1, 2025.

The Hon. Alan V. Pineschi has served as the Presiding Judge for nearly 18 years during his career as a Superior Court Judge, serving from May 2009 until his retirement and previously serving as Presiding Judge in October 2002 through 2004. Judge Pineschi was appointed to the Tahoe Justice Court by the Placer County Board of Supervisors in August of 1986 where he served until 1998, when he became a Superior Court Judge. His 39 years as a judge in Placer County was preceded by his election as Mayor of Roseville in 1985 and his work in private legal practice from 1977 to 1986.

Hon. Jeffrey S. Penney, Assistant Presiding Judge, stated "Judge Alan Pineschi has provided consistent, steadfast, and fair leadership to the Superior Court of Placer County, and by extension all of Placer County, not just through his 18 years of service as the Presiding Judge but also his engagement with local agencies, justice-associated organizations, and community organizations."

"As the Presiding Judge, whether during times of calm, the Great Recession, or the pandemic, he has never wavered in ensuring his core belief - that the role of the court, its judicial officers, and its staff is centered on service to community – was kept at the core of our administrative and staff actions, attitudes, and approach," said Mr. Jake Chatters, Court Executive Officer.

A new Presiding Judge will be elected by the judges of the court in September 2025 to serve following Judge Pineschi's retirement.
