PLACER COUNTY RESPONSE COMPLIANCE REPORT TO 2024-25 GRAND JURY FINAL REPORT NOW AVAILABLE

The Placer County Superior Court announces that the analysis of official responses to the 2024-25 Placer County Grand Jury Final Report has been compiled and is now available for public review.

Each year, the Placer County Grand Jury investigates various aspects of county and city government, special districts, and other local agencies. Upon publication of the Final Report, the law requires that governing bodies and elected officials provide written responses to the findings and recommendations within a specified timeframe, as outlined in California Penal Code Sections 933 and 933.05.

Governing boards of local government entities and elected county officials are required by law to respond to the findings and recommendations in reports the Placer County Grand Jury directs to them. The responses must be submitted to the superior court within a given timeframe and must include legally mandated wording.

The 2025-26 Placer County Grand Jury reviewed the responses to the eleven reports issued by the 2024-25 grand jury and issued their report.

The report is being published primarily in electronic format and is available on the Superior Court's website at www.PlacerGrandJury.org. Hard copies are being distributed only if requested. If you desire a hard copy, please email your request to the Placer County Grand Jury at info@placergrandjury.org. Include your contact name and complete mailing address.

The Placer County Grand Jury is an investigatory body with the authority to act as a watchdog on local government, investigates citizen complaints, and assists in criminal matters at the request of the district attorney.
